

Adjustment in Fuel Surcharge for Travel Originating and Within the Philippines

Dear Valued Travel Agents,

Philippine Airlines will implement changes in fuel surcharge for sales/ticketing on or after **01 October 2023**.

Imposition and Collection:

1. The fuel surcharge in effect on the day of ticketing shall be applied and shall be the same for all passengers— adults, children and infants occupying seats. Infants without seats are exempt from the fuel surcharge.
2. The applicable fuel surcharge shall be collected per passenger, and per segment.
3. For international flights originating in the Philippines, fuel surcharge in accordance with the approved CAB matrix may be imposed in any equivalent foreign currency. (Converted to NUC using the ROE at time of ticketing).
4. Shown as -YQ- in the box of the ticket.
5. Assessed for ticket re-issuances of totally unused tickets, where applicable surcharge was not collected.
6. NON-commissionable and the amount will accrue to PR.
7. For codeshare flights, the applicable YQ/Q shall be that as quoted by the system.
8. For routings involving interlining, the applicable YQ/Q shall be that as quoted by the system.

Rule on Refund and Adjustment of Fuel Surcharge Previously Collected:

1. When an unused portion of the ticket is refunded, the fuel surcharge collected for such sector/s will be refunded in full.
2. When a ticket is rebooked and fuel surcharge was previously collected, the fuel surcharge will be adjusted to the prevailing rate at the time when it was rebooked.

Note: Passengers affected by involuntary cases shall not apply collection on difference of fuel surcharge.
